1. Introduction and scope

- 1.1 These Terms and Conditions of Admission (the “**Terms**”) govern your admission to, and participation in, the **M.Sc. Programme “Advanced Cybersecurity Technologies and Governance”** delivered by the University of Piraeus, Department of Digital Systems (“**UNIPI**”, “**we**”, “**us**” or “**our**”) through the Programme’s Virtual Campus. UNIPI is a higher education institution established under Greek law, located at 80 M. Karaoli & A. Dimitriou, 18534 Piraeus, Greece.
- 1.2 These Terms form the agreement between you and UNIPI for the duration of your studies. They take effect when you accept your (conditional) offer and pay any applicable fees, and they continue until your studies end. The separate terms governing the application portal applied to your application; these Terms govern your studentship.
- 1.3 These Terms should be read together with: your (Conditional) Offer and any programme-specific terms communicated to you; the Regulation Governing the Operation of the Programme; the Study Guide; and the UNIPI Privacy Notice (see Clause 15), which explains how UNIPI handles your personal information.
- 1.4 If there is any conflict, the following order of precedence applies: (a) your (Conditional) Offer and programme-specific terms; (b) the Regulation Governing the Operation of the Programme; (c) these Terms; and (d) the Study Guide.

2. Definitions

In these Terms, unless the context requires otherwise:

- 2.1 “**Acceptance Deadline**” means the period of ten (10) calendar days from the date your Conditional Offer is issued, within which you must pay the first instalment of your Tuition Fees to secure your place.
- 2.2 “**Application Fee**” means the non-refundable fee of €200 (two hundred euros) payable on submission of your application.
- 2.3 “**Conditional Offer**” means a conditional offer of admission issued to a not Eligible Student, subject to payment of the first instalment of your Tuition Fees by the Acceptance Deadline and to any other conditions stated in it.
- 2.4 “**Eligible Student**” means an applicant who is a citizen of an EU Member State, or of a country participating in the Digital Europe Programme (DEP), and who qualifies for the Tuition-Fee Waiver, subject to admission and confirmation of eligibility.
- 2.5 “**MFA**” means multi-factor authentication, the security process requiring you to verify your identity through two or more independent methods before accessing your account.
- 2.6 “**Offer**” means an unconditional offer of admission issued to an Eligible Student.
- 2.7 “**Programme**” means the M.Sc. programme “Advanced Cybersecurity Technologies and Governance” you are admitted to, as described in your (Conditional) Offer.

- 2.8 **“Study Guide”** means the specific Programme’s Study Guide, as updated from time to time, which forms part of these Terms.
- 2.9 **“Tuition Fee”** means the tuition fee of €5,000 (five thousand euros) payable by students who are not Eligible Students.
- 2.10 **“Tuition-Fee Waiver”** means the full waiver of tuition fees available to Eligible Students; the waiver applies to tuition fees only and does not cover the Application Fee.
- 2.11 **“Virtual Campus”** means the M.Sc. Programme’s online learning environment and connected platforms through which the Programme is delivered.
- 2.12 **“you”** and **“your”** mean the admitted student who accepts these Terms.

3. Acceptance and formation of this agreement

- 3.1 You become a student of UNIPi when you, as an Eligible Student, accept your Offer, or you, as a not Eligible Student, accept your Conditional Offer and UNIPi receives the first instalment of your Tuition Fees by the Acceptance Deadline, and when any other conditions stated in your Conditional Offer are met.
- 3.2 By accepting your (Conditional) Offer, you confirm that:
- (a) you are at least 18 years of age;
 - (b) all information you have provided is, and will remain, accurate, truthful and complete; and
 - (c) you have read these Terms and the Study Guide, accept these Terms, and agree to follow the Study Guide.
- 3.3 If the first instalment of your Tuition Fees is not received by the Acceptance Deadline, UNIPi may withdraw your Conditional Offer and offer your place to another applicant.
- 3.4 Your studies begin on the Programme start date stated in your (Conditional) Offer or otherwise notified to you.

4. The Programme and how it is delivered

- 4.1 UNIPi will provide the Programme described in your (Conditional) Offer and on the relevant programme page, with reasonable care and skill. This includes scheduled live online sessions, recorded sessions, learning materials, assessment and, on successful completion of all requirements, the award for the Programme.
- 4.2 The Programme is delivered online.
- 4.3 UNIPi delivers its programmes to recognised quality standards: the M.Sc. in Advance Cybersecurity Technologies and Governance is accredited by the Hellenic Authority for Higher Education and is positioned at EQF/ISCED Level 7.
- 4.4 UNIPi may make reasonable changes to the content, structure, timetable, teaching staff, assessment methods or platforms of the Programme, provided that such changes do not materially reduce the overall quality or standard of the Programme. UNIPi will notify you of any significant change as

soon as reasonably practicable. Where a significant change materially disadvantages you, you may withdraw and receive a refund in accordance with Clause 6 or Clause 7.

- 4.5 UNIPi does not guarantee any particular academic, career or employment outcome. Outcomes depend on your own performance and on factors outside the control of UNIPi.
- 4.6 Course materials and recorded sessions are made available to you under a limited, personal and non-transferable licence to use them for your own studies only, for the duration of your studies. You must not copy, download, reproduce, share, re-publish, sell, or otherwise make them available to anyone outside the Virtual Campus, and you must not make your own recording of a live session (see also Clause 10).
- 4.7 You keep ownership of the original work you create as part of your studies. You grant UNIPi a licence to use, copy and store that work as far as needed to deliver and administer the Programme, to assess and moderate your work, and to meet quality-assurance and accreditation requirements. Where your work involves a third party (for example, an employer in an applied project), you are responsible for obtaining any permissions needed.
- 4.8 You must respect the rights of others in everything you submit or post, and must not include material that infringes a third party's rights or breaches any duty of confidentiality.

5. Fees and payment

- 5.1 An Application Fee of €200 was payable on submission of your application and has already been paid. It is non-refundable and is not covered by the Tuition-Fee Waiver.
- 5.2 Eligible Students receive a full Tuition-Fee Waiver, subject to admission and confirmation of eligibility. Students who are not Eligible Students are responsible for the Tuition Fee of €5,000. The fees that apply to you are set out in your Conditional Offer.
- 5.3 All fees are stated in euros and are inclusive of any applicable value added tax (VAT) unless otherwise stated. Payments are made through the payment method(s) made available by UNIPi and are subject to the terms of the relevant payment service provider.
- 5.4 Where instalments are offered, the amounts and due dates will be set out in your Conditional Offer or otherwise notified to you.
- 5.5 If you do not pay any fee when due, UNIPi may, after giving you notice and a reasonable opportunity to pay, suspend your access to the Virtual Campus, withhold results or certificates, or terminate your enrolment in accordance with Clause 12.

6. Your right to withdraw (cooling-off period)

- 6.1 Because this agreement is concluded at a distance with you as a consumer, you have the right to withdraw from it within fourteen (14) days, without giving any reason. The period begins on the day after the day on which this agreement is concluded (that is, the day on which you became a UNIPi student in accordance with Clause 3.1).
- 6.2 To withdraw, you must inform UNIPi of your decision by a clear statement before the period ends, by email to cybersecgov@unipi.gr. The withdrawal is effective if sent before the period expires.

- 6.3 If you withdraw within the cooling-off period, UNIPi will, within fourteen (14) days of being informed of your withdrawal, refund the amounts you have paid under these Terms less any proportionate amount payable for the part of the Programme already provided to you up to the time you withdraw and less the non-refundable Application Fee.

7. Withdrawal, deferral and refunds after the cooling-off period

- 7.1 If you wish to withdraw from the Programme after the cooling-off period, you must notify UNIPi by email to cybersecgov@unipi.gr. UNIPi will not refund the tuition fees you have paid.
- 7.2 Instead of withdrawing, you may be able to defer your place to a later intake, where UNIPi agrees.

8. Your obligations

- 8.1 As a student, you agree to:
- (a) keep the information UNIPi holds about you accurate and up to date, and tell us promptly of any change;
 - (b) keep your login details confidential, complete MFA when asked, not share your account, and report any suspected unauthorised access;
 - (c) comply with the Study Guide, and abide by the rules it sets out, including on conduct, academic integrity, recordings and acceptable use;
 - (d) use the Virtual Campus and its platforms only for your studies and only in lawful ways; and
 - (e) engage with your Programme — attending or watching your sessions and meeting your deadlines.

9. Our obligations and platform availability

- 9.1 UNIPi will provide the Programme and reasonable student support and will deliver the Virtual Campus with reasonable care and skill.
- 9.2 UNIPi does not guarantee that the Virtual Campus will be available without interruption or free of errors. The Virtual Campus may be unavailable from time to time for maintenance, updates or reasons beyond our control, and UNIPi is not responsible for the availability of third-party platforms (see Clause 11).
- 9.3 UNIPi is not liable for any failure or delay in performing its obligations caused by events beyond its reasonable control. If such an event continues for a prolonged period, UNIPi will take reasonable steps to provide a suitable alternative or, where it cannot, to make a fair adjustment to your fees.

10. Recordings and your participation

- 10.1 You accept that live sessions on your Programme are recorded and made available within the Virtual Campus to students on that course.
- 10.2 When you take part in a session — for example by speaking, turning on your camera, or posting in the session — you accept that your contribution may form part of the recording.

- 10.3 You also accept that meetings held as part of the complaints or disciplinary procedures (see Clauses 12 and 13) may be recorded so that there is an accurate record, where you are told in advance; any such recording is kept confidentially and used only for that procedure and any related appeal.
- 10.4 You must not record, download, copy, screenshot, re-publish or share any session or recording outside the Virtual Campus, and you must not make your own recording of a live session.

11. Platforms used to deliver the Programme

- 11.1 The Virtual Campus is delivered through a number of connected platforms, which currently include the learning environment, an identity and sign-in service, a student-records system, a digital-credentials service, an alumni-community platform and a payment service provider.
- 11.2 Your use of certain platforms may also be subject to the terms of the relevant provider. UNIPi is not responsible for the acts, omissions or availability of third-party platforms beyond its reasonable control.

12. Suspension and termination of enrolment

- 12.1 UNIPi may suspend your access to the Virtual Campus or terminate your enrolment where:
- (a) you do not pay a fee when due (Clause 5.5);
 - (b) you provided false or misleading information in your application, or your eligibility is found not to be met;
 - (c) you seriously or repeatedly breach these Terms or the Study Guide; or
 - (d) you are found to have engaged in serious misconduct (according to the Regulations Governing the Operation of the Programme).
- 12.2 Before terminating your enrolment, UNIPi will follow the disciplinary procedure and act proportionately, giving you notice and an opportunity to respond, except where immediate suspension is necessary to protect the Virtual Campus or other users.
- 12.3 If UNIPi terminates your enrolment because of your breach, misconduct or non-payment, you will not be entitled to a refund of any tuition fees already paid, and any fees that have fallen due remain payable. This is separate from your own right to withdraw under Clause 6 or Clause 7.
- 12.4 Clauses that by their nature should survive the end of this agreement — including Clauses 10, 14 and 18 — continue to apply.

13. Complaints and disputes

- 13.1 If you are unhappy with any aspect of your studies, the complaints and grievance procedure is set out in the **Regulation for the Management of Students' Complaints and Appeals** which explains how to raise the matter and how it will be handled.
- 13.2 If your complaint is not resolved once the internal procedure is complete, you may be able to refer certain matters to an external body. Nothing in these Terms affects your statutory rights.

14. Liability

- 14.1 The Virtual Campus and its content are provided on an “as is” and “as available” basis.
- 14.2 To the fullest extent permitted by law, the total aggregate liability of UNIPI to you in connection with these Terms or the Programme shall not exceed the total amount of fees actually paid by you to UNIPI under these Terms.
- 14.3 Nothing in these Terms excludes or limits the liability of UNIPI for: (a) death or personal injury caused by its negligence; (b) fraud or fraudulent misrepresentation; or (c) any other liability that cannot lawfully be excluded or limited, including your rights as a consumer under applicable EU and Greek consumer protection law.

15. Your personal information

- 15.1 How UNIPI handles your personal information is set out in the UNIPI Privacy Notice (<https://www.unipi.gr/en/protection-of-personal-data/> and [Information-to-Data-Subjects.pdf](#)), as well as in the Program’s privacy policy which will be provided to you separately.

16. Changes to these Terms

- 16.1 UNIPI may amend these Terms from time to time. The current version, with its effective date, will be made available to you. UNIPI will notify you of any material change. Where a material change disadvantages you, you may withdraw and receive a refund in accordance with Clause 6 or Clause 7.

17. General

- 17.1 Notices to you are given through the Virtual Campus or your institutional email. Notices to UNIPI should be sent to the contact details in Clause 19.
- 17.2 You may not transfer your rights or obligations under these Terms to anyone else. UNIPI may transfer its rights and obligations where your rights under these Terms are not adversely affected.
- 17.3 If any provision of these Terms is found to be invalid or unenforceable, that provision is severed and the remaining provisions continue in full force and effect.
- 17.4 These Terms, together with your (Conditional) Offer, the Regulation Governing the Operation of the Programme and the Study Guide, constitute the entire agreement between you and UNIPI relating to your studies and supersede any prior representations or understandings on the same subject matter.
- 17.5 A failure or delay by UNIPI in enforcing any provision of these Terms is not a waiver of its rights.

18. Governing law and jurisdiction

- 18.1 These Terms, and any dispute or claim arising out of or in connection with them, are governed by Greek law.
- 18.2 Subject to Clause 18.3, the courts of Greece, have exclusive jurisdiction to settle any dispute or claim arising out of or in connection with these Terms.

- 18.3 If you are a consumer habitually resident in a European Union member state, you also benefit from any mandatory protective provisions of the law of your country of habitual residence, and you may bring proceedings before the courts of your country of habitual residence.
